

The Friends of the Library works with the library staff to support their programs and enhance the library.

*We support and help fund the Children's Summer Reading Program.

*We have funded additional security cameras, and shelving.

*We also provide funds for the library's discretionary fund. This helps to fill in the gap for needs as they arise.

*We hold Book Sales to generate additional funds.

The library and its staff provide essential information and services. Programs for adults, teens and children are a growing part of our library. Please help by joining the Friends of the Toccoa- Stephens County Library.

We meet the 3rd Monday of each month (August- May) at 10:30 am at the library. We welcome your attendance and ideas on how we can enhance and support our library.

Thank you!
